mirra

Premium Billing

Our Member Billing module will automate the process of generating member invoices and posting of related payments, while seamlessly dealing with CMS imposed retroactivity.

Features

✔ Generate monthly member, SSA and CMS/LIS invoices based on enrollment and CMS bid data

✔ Separate Member (with LIS credits) and CMS (with subsidy amount) invoices

✔ Auto-update invoices daily for all retroactivity related to CMS enrollment, LIS or LEP change

✔ Post payments including SSA, LIS and member payments from Lockbox, Credit/Debit Card and manual entry

✔ Transfer payments as needed due to retro billing activity or pre-payment

✔ Handle negative payments from CMS & SSA

✔ Enforce documentation for manual adjustments and transfers

✔ Generate Member Refund Checks as needed

Benefits

Maintenance of extensive audit trails

Improved information accuracy

Ease of tracking and reconciling LIS & SSA payments

Significant time saving from automated retroactivity, payment postings and transfers

Our Other Solutions

Eligibility, Enrollment and Member Management

Claims Adjudication
